

# HIGH DESERT FOOD AND FARM ALLIANCE 2017 ANNUAL REPORT

Our mission is support a healthy and thriving food and farm network in Central Oregon through education, collaboration and inclusivity.

www.hdffa.org

## CURRENT PROGRAMS

### Grow & GIVE

- Fresh food to 46 hunger relief agencies
- On-farm gleaning
- 31,000 pounds donated to-date

A fresh food drive to increase the pounds of local fresh food donated to the regional food bank, NeighborImpact. Produce donations are recieved at regional farmer's markets and through on-farm gleaning.

### Cooking COUNTS

- 6-week hands-on cooking course
- 10 courses in 7 communities every year
- 247 graduates to-date

Free cooking course for SNAP-eligible individuals to how to cook healthy meals on a budget. Courses are held in the spring and fall throughout Central Oregon including the Confederated Tribes of Warm Springs.

### Veggie RX

- Prescriptions for fresh fruits and veggies
- Connecting with health care
- 70 participants enrolled

New in 2018, VeggieRx is a prescription program to improve healthy eating habits for food insecure individuals with diet-related disease. Vouchers and nutrition education are provided at the Bend Farmer's Market.

### Collaborative

### FARM & BUSINESS PROJECTS

- Fresh Harvest Kit
- Food recovery
- Workplace CSA
- Season extension grants for farmers

Food and community are at the heart of our mission. We work in concert with farms, businesses and organizations to implement projects, initiatives, and events that meet our mission.
